## Rich's Footwear At Greatly Reduced Prices

The "smartest" footwear fashions offered at considerably less than marked prices, for quick clearance.

This sale is in keeping with our established policy of offering toward the end of each season all the remaining stock on hand at greatly reduced prices, by which we are enabled to begin the succeeding season with entirely new assortments.

Its importance to you is all the greater because it comes right in the heart of summer-at a time when you are going awaywhen you need footwear for the various diversions at seashore or countryside.

Naturally the greatest reductions are in those lines of footwear which have become broken in sizes or variety and in lines which we shall discontinue selling when these are gone. The reductions have been extended to every department, so that the entire family may be supplied at a considerable saving.
